

October 2, 2025

Dear Sunnyland Members,

It's time for the ACBS Sunnyland Chapter to get involved with the annual "Toys for Tots" Tournament. The U.S. Marine Corp. Reserve is hosting an event that takes place on Sunday, December 7, 2025, at the Leesburg Boat Club. Toys from all donors will be weighed and a prize will be given for the most toys donated. The event takes place from noon until 1:00pm. They are looking for brand new toys for children, ages newborn to 14 years old. They are also asking to please not donate stuffed animals and they will accept donations of cash or check made out to the Toys for Tots Foundation.

There will be a toy drop box at both the Scampy shop and the Old Time Boat Works. Any checks can be given to Tom Drozd or Jeff Funk during the adult Scampy sessions on Tuesdays and Thursdays. If you have any questions, feel free to call me at 312-907-5779.

Representing the Sunnyland ACBS Chapter, I would like to see all our local members contribute to this event. The Leesburg Boat Club is right next to the Ski Beach restaurant and we can make it an enjoyable boating event for our members to attend. For the event on December 7, member boats can meet at the Tavares transient dock (that's the curved dock near the Pavillion) at 10:30 am (weather permitting) and take a boat ride to Ski Beach. This should give us plenty of time to get there by noon. Then we can meet for lunch afterwards at Ski Beach.

I will have more information by our November Annual Banquet/Meeting at the Mount Dora Yacht Club.

Thank you.

Tom Drozd
